PRINCIPAL'S PERSPECTIVE – As I have taken our dog, Mason, for walks over the past few weeks, there have been many people who have put up their Christmas lights and decorations. To me it seems that there have been more decorations put up earlier than in years past. This could be the result of some very nice November weather we have had and people taking advantage of that. Part of me can't help but wonder if it is because people want something joyful and cheerful to look forward to. Christmas is definitely a joyful and cheerful season and not just because of the lights, decorations, presents, and other customs and traditions we may have. Christmas is a joyful and cheerful time because of the promised Savior who saved us from our sinful state. The season of advent prepares our hearts and minds for the celebration of that first Christmas. Over the next few weeks there will be many opportunities to worship our Savior and prepare for Christmas. Continue to keep Christ as the focus of the season. God bless!

We put orders in on Mondays and they are distributed to families by Friday. Put an order in once, twice, three times. There is no limit.
