PRINCIPAL'S PERSPECTIVE – Last week was teacher appreciation week. This year has been a crazy year that has been blessed by God. While it is a week later, I want to thank all of the teachers and staff for all that they do to keep the ship running smoothly at Eastside Lutheran. There has been much to overcome, and they have done it with heartfelt dedication. Thank you for your efforts!

LUNCH CHANGES – Here are a few lunch menu changes that are coming up:

Thursday, May 13 – Pancakes or Egg Sandwich instead of Waffles or Egg Sandwich along with sides of scrambled eggs, sausage, fruit and dessert.

Friday, May 14 – Chicken Wrap or Fish Sandwich instead of Chicken Wrap or Chicken Tossed Salad along with sides of chips, fruit, veggies and dessert.

EJO DAY will be taking place this year on Friday, May 21st. **This day is now a full school day with daycare available all day until 5:30pm.** This year we will not be able to offer parents and visitors a way to be a part of EJO day as we have in the past. We are still looking forward to a modified version of this fun day with our students and faculty/staff. If you have any questions about this day please contact Mr. Rank.

****Please call or email the school if you now intend to use childcare that day. Thank you!**

SUMMER CHILDCARE – Here are a few things to note regarding summer childcare.

- The June calendar for summer childcare is attached to this email. If you are using childcare in June please fill it out and return it to school as soon as possible.
- Also please put the childcare cell phone number 608-219-8488 in your phone in preparation for this summer. There may be times that staff is not by the school phone such as playground time.
- Summer childcare will be logged and billed through FastDirect as we have done this year with our wrap around care. We will bill every Monday. If you are using summer childcare and no longer remember your login in info for FastDirect please contact Mrs. Paske.

CRYSTAL APPLE AWARDS – We want to give a shout out to Mrs. Schmiede, our 4th grade teacher, who was nominated for the Crystal Apple Awards. She has been such a

blessing to the children, staff and families here at Eastside. Thank you Mrs. Schmiede for your hard work and dedication to teaching and letting God's light shine in all you do.

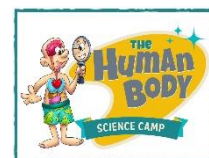

GRADUATION- Look for an email coming this week regarding this year graduation.

FUN FRIDAYS – Bust out your best beach wear for this Friday's Beach Day! Summer is just around the corner so this day seems fitting. Please remember Christian modesty and school dress code as you pick out your gear.

SCIENCE CAMP UPDATE – The END IS NEAR for the Science Camp Registration. You must sign up by JUNE 5. HOW? - visit our website at www.eastsidelutheran.org or call the church office at 244-3045. Each day during the camp, the children will learn about the different body systems by starting and ending with corresponding lessons from the Bible and with praise music. These songs are fun, and the children will be excited about them. They will wear red t-shirts as a reminder that our hearts belong to Jesus. Each day the children will do two experiments and a craft project and will keep track of everything in their science journals. There will be activities at the Review Station. They will go outside for the Games Station and have fun at the Snactivity Station. Did you know that you can actually make apple stomachs with apples and fruit Roll-Ups? This will not just be a summer diversion for children. It will be an amazing way to stay connected to Jesus!

WHAT CAN YOU AS AN ADULT DO? First and foremost, you can pray. Pray that we fill up our camp. Pray for all of the children that will be attending our camp and for the volunteers that will make it happen. This is an outreach for us. Pray that the children from the surrounding community will come. Maybe some of them will hear about Jesus for the first time or be reconnected to Jesus through this camp. Go and tell everyone you know (and don't know yet) about the camp. The time has come, the time is now to REGISTER FOR SCIENCE CAMP - SPREAD THE WORD!!! July 12-16 (8:20 a.m. – 11:30 a.m.) Children 4K to incoming 5th grade, YOU can become a summer scientist!!

SCRIP TUITION CREDITS- Scrip tuition credits for the 2020-2021 school year will come to a close on May 31st. Orders placed after May 31st will go toward tuition of the 2021-2022 school year. Thank you for using Scrip!

HOT LUNCH DAYS- After today there are **10** days of hot lunch left!

TUITION AND CHILDCARE PAYMENT REMINDERS- Please remember that all tuition, lunch and childcare fees must be paid by the end of the school year in order to receive your report card. You may choose to pay your entire childcare balance on the last day of school, or when you have used childcare for the last time in the school year to avoid making multiple payments. Tuition payments should be made as soon as possible. School and childcare will close on Thursday at 11:30a.m. Any positive balances remaining will carry over to the next school year.
