

THE WEEK OF MAY 5 – MAY 11, 2021
“Believe Jesus is the Way. Have Peace.”

WORSHIP – Thursday, May 6th @ 6:30pm and Sunday, May 9th @ 8:00 am and 10:30 am. Sermons can also be found on the Eastside website at www.eastsidelutheran.org. Please make worship a part of your life.

PRINCIPAL'S PERSPECTIVE – The month of May is a time when many churches celebrate confirmation. This past Sunday at Eastside nine young people were confirmed. This naturally caused me to think about my own confirmation and my confirmation verse. I Thessalonians 5:17 states, “pray continually.” The verse is short, but the message is true and powerful. God commands us to pray in all times and all situations. God promises to answer our prayers in his time and with his purpose as the focus. This passage has helped me many times. It is my encouragement to you to pray to God in all times and all situations. When things are going well, thank God for the blessings he has given and the positive experience you are having. When the road gets rough, remember God is there for us and will work things for our greater good. Use the powerful tool of prayer. God’s blessings to all of you!

LUNCH – There are only 15 days of hot lunch left after today. Please be on the lookout for a few hot lunch changes between now and the last day of school.

EJO DAY will be taking place this year on Friday, May 21st. **This day is now a full school day with daycare available all day until 5:30pm.** This year we will not be able to offer parents and visitors a way to be a part of EJO day as we have in the past. We are still looking forward to a modified version of this fun day with our students and faculty/staff. If you have any questions about this day please contact Mr. Rank.

Update

SCIENCE CAMP UPDATE – We are now at the point where we have to think about the visual aspect of the Human Body Science Camp. The call is going out for artists and crafters. Ideas on the table are milk jug skeletons and maybe a milk jug spine. Our milk jug stash is growing. We need someone to sew felt organs. Each day we will add the organs we are learning about to our skeletons. (Monday - Skeletal System) (Tuesday - Respiratory System | Lungs) (Wednesday - Circulatory System | Heart) (Thursday - Digestive System) (Friday - Nervous System | Brain) If you can come up with some great ideas or you would like to help make our ideas come to life, please let us know by calling Amanda at 244-3045. All of the visuals will help make our first-ever Science camp totally amazing!

LAKESIDE LUTHERAN HIGH SCHOOL NEWS

NEW! BOYS GR. 5-9 WRESTLING CAMP - In addition to our basketball, soccer, running, volleyball, football, golf and STEM camps, this summer LLHS wrestling coaches are offering a 4-day camp for boys entering grades 5-9 Monday-Thursday, June 14-17, 10am-12pm. With the Warrior Varsity wrestling team as camp helpers, boys will learn takedowns, escapes, reversals, turning and pinning combinations. They’ll learn the basic rules of wrestling and how to fall without getting hurt. We’ll talk a little bit about the history of wrestling and how wrestling can help success in school, in careers, and as Christian men. They’ll also get to do a little bit of “live wrestling” each day. The \$50 registration fee also includes a Junior Warrior Wrestling Camp T-shirt. See more info about the wrestling camp here and see ALL the elementary camp and program registrations at lakesidelutheran.sportngin.com/home
